BNB Networks Franchise Solution

Helping aspiring small business owners join our vision for nationwide growth.

Are you interested in owning a part of BNB Networks vision? Are you looking for a new business opportunity that can expand nationwide and you can manage from anywhere in the world? If so, Join BNB Networks as a Franchise Partner.

Partnership Shall Be Divided by Regions

- BNB Networks Midwest
- BNB Networks Northeast
- BNB Networks Southeast
- BNB Networks Southwest
- BNB Networks Western
- BNB Networks International (US Islands)

Our partnership is simple! We will help you start your BNB Networks franchise in one of the regions listed, help you find new client, teach you how to bid on contracts within our scope of work and service areas, help you find top notch contractors, and more! All the while having 24/7 access to operation support. **We are looking to help you make over \$10,000 or more per month by becoming a franchise owner.**

Our Franchise Partnership Includes:

- Establish BNB Networks in your Market
- Getting a Professional Website
- Work Order Management System Implementation and Training
- Team Support and Staffing
- Helping you find new clients within your service areas
- Helping you find State and Federal Contracts within your scope of work and service areas
- Training you on how to respond to solicitations
- Helping you find Contractors that will service your clients
- Mobile App and Tools you can use to manage contractors
- Help building and managing current work orders with current client using our work order management system.
 - Our Team will send you **before** and **after photos** via email after every service is rendered for Quality Control inspections
 - Our Team will **help you find new cleaners** if someone resigns or is terminated, we will post the position, interview, and forward you the best candidates
 - Our Team will help you **find subcontractors for your business to help manage current contracts**
 - Our Team will build you a **monthly service report** showing all work orders scheduled per client, per location, work order number, services rendered, crew/staff assigned and if the work order was completed

BNB Network Franchise Partnership program will help you become a high six figure remote business that's automated. All you have to do is monitor all clients and locations using our mobile application, review after photos, focus on customer relations, track service requests and account retention.

Fees Include:
